## Philosophy

The staff at Faith Family Fellowship Preschool along with the Pastors and Elders of Faith Family Fellowship believes that foundations are important. Our program is designed to partner with you in providing a foundation that will teach your child at an early age that he/she was created by God, is loved by God, and has a God led purpose. The Bible is the foundation for all activities and subject matter that your child will be exposed to.

Recognizing the importance of balanced growth, our staff will

provide your child the opportunity for cognitive, emotional, physical, social and spiritual development through our curriculum. We use the abeka curriculum which combines phonics, math, and exciting units for the children. We are committed to providing biblically based, age-appropriate experiences to allow each child to progress in these areas while enjoying feelings of success. This is primarily done through hands-on activities and positive Christ-like role modeling by the staff.
